Welcome to the Dolls Point Family

Welcome to Dolls Point Football Club.

Whether you're brand new to football or returning for another season, we're thrilled to have you and your family with us.

Dolls Point FC is a **community-focused, family-based club** where kids learn skills, make friends, and build confidence — all while having a great time on and off the field.

Our philosophy is simple:

Play fair. Learn skills. Have fun. Grow as people.

Big Thank you to Our Sponsors

Their generosity helps keep football accessible, affordable, and enjoyable for our players and families. From equipment and facilities to programs and presentations, our sponsors play a vital role in supporting community football.

We encourage all families to support the businesses that support our club.

President's Welcome - Season 2026

Welcome to another season at Dolls Point Football Club.

On behalf of the committee, coaches, managers, and volunteers, I warmly welcome all our returning families and extend a special welcome to those joining us for the first time.

Dolls Point FC is proud to be a **family-focused, community-based club**. Our aim has always been to create an environment where players feel supported, parents feel included, and football remains enjoyable for everyone.

We are fortunate to have excellent facilities and a dedicated group of volunteers who allow us to train and play in most conditions — rain or shine. More importantly, we are proud of the culture we continue to build together.

While winning matches is enjoyable, it is not our primary focus.

At Dolls Point FC, we value:

- Learning and improving skills.
- Playing fairly and respectfully
- Making friends and being part of a team
- Enjoying the game

Improve your skills. Have fun. Become a better person.

Not everything will always go perfectly — community sport rarely does — but we genuinely try our best. The fact that so many families return year after year tells us we're on the right path.

This Welcome Pack is designed to answer common questions and help you understand how the club operates. If you need further information, please speak with your coach or team manager.

Warm regards,
Club President
Dolls Point Football Club

Who We Are

Dolls Point Football Club (Est. 1977)

Founded in 1977, Dolls Point FC is a proud community-based football club in southern Sydney, based in the Dolls Point and Brighton-Le-Sands area. The club competes in local competitions under the Football St George Association and has been part of grassroots football for five decades.

Wearing our traditional sky blue with touches of red, the club is built on **community, development, and inclusivity**. We offer pathways from junior teams through to senior men's and women's squads.

Playing home matches at local grounds including Memorial Playing Fields, the club continues to grow and succeed, highlighted by recent on-field achievements including a **St George Premier League title in 2025**.

We cater for players of all abilities — from first timers kicking a ball for the very first time through to competitive age groups. Football matters, but enjoyment, respect, and belonging matter even more.

Our committee members, coaches, and managers are all **volunteers**. This volunteer spirit is at the heart of our club and keeps community football alive.

Please remember this when interacting with club officials — kindness goes a long way.

How Is the Club Funded?

Our primary source of funding is **player registration fees**.

We are also grateful for:

- Support from local council and government grants
- The generosity of our club sponsors

This support helps keep fees reasonable while maintaining facilities, equipment, and programs.

Where Does the Money Go?

A significant portion of registration fees goes directly to governing bodies for:

- Player insurance
- Association and competition fees

The remainder is used to cover:

- Ground hire and maintenance.
- Training equipment and match balls
- Playing kits and uniforms
- Referee fees
- Trophies and end-of-season presentations
- General club operations

Every dollar is spent supporting players, teams, and the running of the club.

Our Teams

We offer teams across a wide range of age groups, including:

- Mini Roo's
- Junior teams
- Youth teams
- Senior & Over 35s teams
- Girls' teams, with a strong commitment to growing female participation.

Team availability depends on registrations and numbers each season. We do our best to accommodate players fairly and thoughtfully.

Registration – It is Easy

All registrations are completed **online**.

1. Visit the club website.
2. Follow the registration link.
3. Complete your details and payment.

All information, including fees and key dates, is available online.

Important – Insurance Requirement

Players must be registered and paid before participating in any training, trials, or games.

Active Kids Voucher

During online registration, you will be prompted to enter your **Active Kids Voucher number**. Once applied, it will reduce your registration fee.

Please have your voucher ready before registering. Further guidance is available on the website under **Join Our Club**.

Voucher 1 – 2026 available now

Voucher 1 – 2026 and voucher 2 – 2025 can be used together before 14 July 2026 for a combined value of \$100. Vouchers can only be used once.

www.service.nsw.gov.au/transaction/apply-for-an-active-and-creative-kids-voucher

New to Football? No Problem

If your child is new to football or the association, proof of age (passport or birth certificate) may be required. This is standard and helps ensure teams are formed fairly.

Gear & Clothing

What the Club Provides

- Official playing jersey
- Shorts and socks for new players
(Returning players may reuse last season's gear if it fits)

What You will Need

- Shin pads (mandatory for training and games)
- Football boots (once games begin)
- Comfortable training clothes

Parent Tip:

Do not overspend on boots — kids grow fast, and comfort beats brand every time.

Training – What to Expect

- Most teams train once per week.
- Training days and times are confirmed once teams are finalised.
- Locations are communicated by coaches or managers.

For younger age groups, training schedules are often discussed with parents to suit family commitments.

Game Day Essentials

- Shin pads must always be worn.
- No jewellery, watches, rings, or chains (FIFA rules)
- Please don't bring phones or gaming devices — they tend to disappear or get lost.

When & Where Do We Play?

- Most games are played on Saturdays.
- Some older teams may play Sundays.
- Games are within the St George area.
- Home games are at Dolls Point fields.

Mini Roo's and non-competition teams generally do not play during Easter or school holidays.

Playing Time

Every registered player plays each week.

While equal minutes every game can be challenging, playing time balances out across the season. Development and enjoyment come first.

Club Merchandise

Supporter gear is available during the season, including:

- Club Jumpers, T-Shirts and Jackets

Perfect for chilly mornings and proud supporters.

www.dollspointfc.com.au

Coaches & Managers

Our coaches and managers are volunteers — mostly parents and former players.

- Coaches are encouraged to attend club-supported courses.
- Specialist coaches may assist when required.
- Respect and support for volunteers is essential.

From time to time, the club may engage qualified specialist coaches to support development programs, but the day-to-day running of teams is done by volunteers giving their time for the kids.

Want to help?

We always welcome new coaches and managers. No experience required — just enthusiasm.

How Teams Are Formed

Our guiding principles:

- First in basis
- Existing teams stay together where possible.
- Friends are encouraged to play together (especially younger ages)
- Team balance and fairness across the club

While we try to accommodate requests, preferences cannot always be guaranteed.

Age Groups

Age groups are determined by a player's age as of **31 December** of the current year.

Players may occasionally move age groups for team balance or sibling placement — always discussed with parents first.

Refunds & Deregistration

- Once team sheets are submitted to Football St George (FSG), we're unable to offer refunds
- This includes registration fees, uniforms, and any other payments made to the club
- If you need to withdraw **before** team sheets are submitted, you can request a refund
- Each request is looked at individually
- A valid reason for withdrawing will be needed
- Approved refunds may include a small administration fee

Our Community Promise

We may not get everything perfect — but we care, we listen, and we improve every year.

Families return because:

- Kids feel welcome.
- Parents feel supported.
- Football stays fun.

That's a win in our books.

Concerns & Support

Start by speaking with:

- Your Team Manager
- Your Coach
- Your Age Coordinator

Need Help?

If you have questions:

- Speak with your coach or manager.
- Contact the club via the website.

We're here to help — always.
